President's Message

As always, it's my pleasure to invite you to our most celebrated event of the year. Innovation 2010 promises an educationally-rich forum to efficiently advance your knowledge about the latest Enterprise Content Management technologies. With fifteen presentations from which to choose, each instructed by an industry expert, you are sure to be more informed and knowledgeable.

Let us know you'll be joining us June 10th.

Bill Buerger
President
